# EXPERIENCE

2016 // Madame Vacances

Junior UI/UX Designer

During the past year, I've worked at Madame Vacances as a junior UX/UI Designer. I designed the website interface, run some user testing and developed email templates.

2015 // 10h11

Project manager assistant

I worked for six month as an intern at 10h11 agency. As PM assistant I used to design some user interface for datavisualization, created wireframe and manage the developer team.

2014 // Brand Online Commerce

UI Designer assistant

I worked for six month as an intern at BOC. As a UI Designer assistant, I designed and developed a lot of mail templates for french luxury brand and managed the mailing campaign.
